

PRICE LIST (Euro) January 2013

Pos.	Code	Description	Minimum Advertised Price in EUR
Spectrophotometer SpectroPad			
1	C300A00	 SpectroPad (portable spectrophotometer) - 6 mm Measurement aperture - Barbieri "qb-technology" inside (D50 LED illumination, next generation spectral core) - Touch Screen - Battery operated, Wi-Fi (cordless) - For reflective media - Including measurement software Barbieri Gateway	1.995,00
2	C300A01	SpectroPad DOC (Digital Output Control)	2.885,00
3	C300S10	Upgrade SpectroPad to SpectroPad DOC (software activation)	1.105,00
4	C300S03	Unlock from OEM to Barbieri SpectroPad (software activation)	495,00
Spectrophotometer Spectro Swing Series 2			
5	C041B50	 Spectro Swing RT Automatic Reflection/Transmission spectrophotometer for digital photo and inkjet printing and packaging. - For flexible media up to 0,7 mm. - Able to measure up to 3000 patches on one page. - Including measurement software Barbieri Gateway.	3.315,00
6	C041S05	DOC activation for Spectro Swing (software activation).....	950,00
Spectrophotometer Spectro LFP Series 3			
7	C200C00	 Spectro LFP RT Most versatile automatic Reflection/Transmission spectrophotometer for digital large format, flatbed and industrial printing. - For most different materials with thickness up to 20mm (glass, cardboards, PVC, ceramics, fabrics, textile, backlit film, paper, wood, stone, etc.). - Measurement aperture switchable between 8, 6 and 2 mm. - Including 2 sample holders for thin media (reflection C200A52 and transmission C200A54) and measurement software Barbieri Gateway.	5.990,00
8	C200C02	Spectro LFP Tex Automatic spectrophotometer solution for textile printing - 8 mm measurement aperture - Reflection only - Including set of 3 textile sample holder (C200A50-S2), and one reflection sample holder (C200A52)	5.150,00
9	C200S05	DOC activation for Spectro LFP (software activation).....	950,00
10	C200S01	Upgrade from Spectro LFP Tex to RT (software activation)	1.125,00
11	C200S03	Unlock from OEM Spectro LFP to Barbieri (software activation)	1.275,00

General sales conditions: All prices are to be understood without Value Added Tax, transport and insurance for sale to end-user (BARBIERI electronic has the right to do direct business with Original Equipment Manufacturers as well as bundle deals). For orders below €55,00 we have to charge €25,00 for handling costs. All products are covered by a one year warranty from date of invoice, which foresees replacement of defective material in any case, but labor only, if repaired at the factory, in which case transport cost and customs clearing charges will be put to account. This pricelist supersedes all preceding pricelists and offers and is valid no longer than December 31, 2013. Prices are subject to change without notice.

Pos.	Code	Description	Minimum Advertised Price in EUR
Accessories			
12	C050F00-2	UV-cut filter for Spectro LFP Series 3.....	130,00
13	C050F00-1	UV-cut filter for Spectro Swing Series 2 and Spectro LFP Series 2	130,00
14	C050F10-1	Polarization filter for Spectro LFP Series 3.....	445,00
15	C200C61	Electrostatic sample holder for Spectro LFP Series 3	595,00
		Including white backing (C200C62) for reflective, thin materials and textiles (not delivered with Spectro LFP)	
16	C200C62	White backing for electrostatic sample holder (replacement).....	100,00
17	C200C63	Black backing for electrostatic sample holder	100,00
18	C200A50-S1	Set of 2 sample holders for Spectro LFP (all series).....	445,00
		1 holder for extra heavy and thick reflective materials (C200A50) and 1 holder for transparent, thick materials (C200A53) (not delivered with Spectro LFP)	
19	C200A50-S2	Set of 3 transmission / textile sample holders for Spectro LFP	140,00
		for transparent, thin materials and textiles (C200A54)	
20	C200A52	Reflection sample holder for Spectro LFP (all series)	100,00
		for reflective, light materials (already delivered with Spectro LFP)	
21	C200S20	Carrying Case for Spectro LFP RT (all series).....	920,00
		(trolley with wheels and telescopic handle)	
22	C300S30	Bag for SpectroPad	65,00
23	C041H51	Reflection sample holder for Spectro Swing (all series)	65,00
24	C041H50-S1	Set of 5 transmission sample holders Spectro Swing (all series)	100,00
Calibration and Certification Services (recommended every 18 months)			
		<i>Service includes: exchange of reference white, re-calibration, firmware update, complete functionality check, new certificate</i>	
25	C200S50	Calibration and Certification Service for Spectro LFP RT	505,00
26	C041S50	Calibration and Certification Service for Spectro Swing	405,00
27	C300S50	Calibration and Certification Service for SpectroPad	315,00
Spare parts			
28	C300S20	Accupack for SpectroPad	115,00
Spare lamps			
29	C050L01	Measuring lamp Reflection Spectro Swing, Spectro LFP, Spectro 50xy.....	185,00
30	C100L01	Measuring lamp Reflection for Spectro 100 or 100xy.....	220,00
31	C200L02	Measuring lamp Transmission for Spectro LFP RT (all series).....	185,00
32	C041L02	Measuring lamp Transmission for Spectro Swing (all series)	185,00
33	C100L02	Measuring lamp Transmission for Spectro 100, 100xy	260,00
34	C050L02	Measuring lamp Transmission for Spectro 50xy RT	200,00
Reference- and Calibration Tablets (validity 18 months)			
35	CXRW06R2	Reference White for Spectro LFP RT Series 2 and 3	110,00
36	CXRW06R	Reference White for Spectro LFP RT Series 1	110,00
37	CXRW08R	Reference White for Spectro Swing (all series).....	110,00
38	CXRW30R	Reference White for SpectroPad.....	110,00
39	CXRW00R	Reference White Tablet for Spectro 100xy including holder	280,00
